New Anti-Aging Care

ANTI-AGING CARE INSTANT SMOOTHNESS

Once mixed the micro-dispersed and micro-encapsulated actives form a ready to use homogeneous gel.

The synergetic effect of both products optimizes the Anti-Aging care and leaves the skin durably hydrated**, extremely supple and soft. Gives the skin a youthful, smooth and radiant appearance for a visible anti-aging* effect.

The tests

1. ***Test on the actives: 40 women, twice a day application for 21 days:
Self-evaluation, 63% found the skin smoother and improved aspect of the skin surface.
2. **Test on actives: hydration 24 hours.
3. *Visible anti-aging effect on the skin.
